Subject: Motion with stuff

Motion to extend trial date

DeLaire v. Voris

Case - 21-cv-131-JL, de Laire v. Voris, et al.

This is a petition/motion to the court to extend the trial date to as such a time when I (Gary Michael Voris) am actually able prepare, mount and present a sturdy defense.

As presented - and here represented - a signed and notarized affidavit from my physician (the court has the original) as requested directly by Judge LaPlante during last weeks video conference with the precise language His Honor requested.

As my neurosurgeon states, I am on narcotics and will be until the physical condition is overcome (sciatic nerve in right leg) and his sound medical advice is I participate in no legal matters whatsoever until such a time has passed.

EXHIBIT 1 / 1A
(1 PAGE) (2 pages)

Mr. Coopers has written the court saying that rescheduling the date will inconvenience his witnesses.

I can assure the court that whatever inconvenience he claims for his witnesses, will not come close to the inconvenience I will suffer by not being allowed to prepare and present my own defense.

Moreover - as he has told the court repeatedly - the entire reason for him trying to shoehorn and bully me into a trial in a period where I am unable to mentally and physically to be at the top of my game is because of his other trials schedule.

Again, I do not believe his trial schedule should override and negate my right to adequately defend myself.

Moreover - his client has already accepted an agreement for a half a million dollars from one of the previous parties, so it's not like a requested delay is going to harm him financially.

Likewise - I have never expressed an untruth to this court in anyway whatsoever.

The same cannot be said of Mr. Cooper. In the last Video conference he stated that I was unwilling to accept ANY responsibility in this case.

That is/was a lie and to prove it, I am also submitting emails between him and I where I go into great detail saying the exact opposite to which Mr. Copper responded.

EXHIBIT 2 (2.5 pages)

I thank the court.

Gary Michael Voris
